

Your Purchase Makes YOU a Part of Something BIG!

Did you know that because of your purchase, kids with cancer will get to experience the healing power of nature? With the purchase of this unit, Forest River is donating to an amazing cause: supporting Care Camps to help children with cancer find hope, happiness, and the healing power of the outdoors.

Care Camps gives these special kids the opportunity to forget about hospitals, chemo, and all the hard stuff that comes with cancer...and just be a kid again. At Care Camps, kids get the medical care they need in a summer camp setting, so that they can experience the joy that comes from friendship, acceptance, and just remembering to laugh and smile again.

Forest River is committed to providing every child with cancer the chance to get outdoors—free of charge to their families—and your purchase makes this possible.

Thank you for choosing Forest River and helping us get kids with cancer to camp!
